ASUS EEE PC
Can't afford a laptop for Christmas? Think again. The compact Asus Eee PC costs less than a top-of-the-range iPad and comes fully tricked out with built-in wireless networking, tons of software and compatibility with most online services. You'll be wading knee-deep in internet porn in no time at all.
From: www.asus.com.au
Cost: \$499

RALLY DRIVING
Ever wanted to get behind the wheel of a fully kitted-out rally car and test your skills on tight bush tracks? Here's your chance—you'll drive a Subaru RS and a Mitsubishi Evo, with full training.
